

WESC 2025
24 - 27 JUNE | NANTES, FR

Sponsorship Invitation

24 - 27 JUNE 2025
NANTES, FRANCE

It is our pleasure to announce the fifth edition of the Wind Energy Science Conference (WESC) which will take place in Nantes (France) from 24th to 27th July 2025 organised by Ecole Centrale Nantes (ECN) under the auspices of European Academy of Wind Energy ([EAWE](#)).

The venue is La Cité Nantes Congress Centre, conveniently situated within walking distance from the city centre, the train station and the public transport network. The Nantes Atlantique airport is connected by bus shuttle to Lieu Unique (Cité des Congrès) station. Previous issues of this biennial symposium have been held in Copenhagen (2017), Cork (2019), Hanover (2021) and Glasgow (2023).

This conference is a highly prestigious conference on wind energy science, gathering about 1000 international experts from academia and industry to express their ideas and share the latest outcomes from their research activities

WESC 2025 represents an exceptional opportunity to reach a uniquely targeted audience and demonstrate your commitment to the future of wind energy. Do not miss this chance to position your organisation at the forefront. We trust your presence at WESC 2025 is vital for all players and invite you to join us. Your organisation can participate at various levels. The attached sponsorship package provides further details about advertising and how to contribute support.

We thank you very much for your time and consideration. We hope for your financial support, and look forward to hearing from you soon.

Sincerely yours,

Sandrine AUBRUN, Conference Chair

Come join the excitement and have the opportunity to network and recruit directly from highly regarded professionals, scientists, and students in the field.
